DETAILED ACTION

This office action is in response to the amendment and remarks filed 12/9/05.

Allowable Subject Matter

1. Claims 1-9, 10 and 12-18 are allowed.

With respect to claim 1, the following is an examiner's statement of reasons for allowance: the prior art of record neither discloses nor makes obvious the combination set forth in the independent claims, and especially does not show “*said crosshead is rectangularly shaped and is of a one-body type, and said connecting rod is of a divided type and receivable within a crankcase*”, in combination with the other claim limitations.

Previously rejected claim 10 has been rewritten to include the subject matter of allowable claim 11. Thus rewritten claim 10 is now allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
